

## ZEPHYR STAINLESS STEEL ENCLOSURES

### Features

- Robust Construction: Single-door, 304 stainless steel enclosure designed for extreme-duty applications, boasting a durable 1.5mm Grade 304 Stainless Steel body.
- Superior Protection: Achieves an impressive IP66 rating
- Precision Engineering: Features a galvanized steel sheet device mounting plate, pressed for strength and pre-fitted into the enclosure for reliable equipment installation.
- Optimal Sealing: High-quality full perimeter Polyurethane seal guarantees excellent sealing over an extended life, resistant to temperatures from -40°C to 80°C (160°C short term loading).
- Secure Access: Stainless Steel quarter-turn lock with key for enhanced security, providing peace of mind for valuable equipment housed within.
- Mounting accessories available
- Stock sizes available 2024
- Custom Sizes/Materials Available

### Product Information

| Product Code | Material            | Door        | Width | Height | Depth |
|--------------|---------------------|-------------|-------|--------|-------|
| ZESS302015   | 304 Stainless Steel | Left Hinged | 300   | 200    | 150   |
| ZESS303020   | 304 Stainless Steel | Left Hinged | 300   | 300    | 200   |
| ZESS403015   | 304 Stainless Steel | Left Hinged | 400   | 300    | 150   |
| ZESS404020   | 304 Stainless Steel | Left Hinged | 400   | 400    | 200   |
| ZESS503015   | 304 Stainless Steel | Left Hinged | 500   | 300    | 150   |
| ZESS505020   | 304 Stainless Steel | Left Hinged | 500   | 500    | 200   |
| ZESS604020   | 304 Stainless Steel | Left Hinged | 600   | 400    | 200   |
| ZESS606030   | 304 Stainless Steel | Left Hinged | 600   | 600    | 300   |
